

NEW FOR 2015!! COPIC PAINT SYSTEM

Check out the video:
Painting a Popper with the Copic Paint System
<https://youtu.be/z79CWcYwVj8>

- » Lightweight
- » Easy Color Switching
- » Refillable
- » Colors a Variety of Surfaces and Textures
- » Works with Air Cans & Air Compressors
- » Portable
- » No Mess

ABS1 AIRBRUSH KIT

The most complete, cost effective system without buying an air compressor.

- » Air Grip
- » Air Can 180 (40-45 minutes of use)
- » Air Hose
- » Air Can Holder
- » Air Adaptor

COPIC SKETCH MARKERS

30 COLORS TO CHOOSE FROM!

The key component to the airbrush system. These markers have 2 different points or nibs. The broad and fine nibs enables bold strokes, quick coverage of large areas, and the ability to work within detailed areas

ABS2 AIRBRUSH KIT

A more portable and economical system.

- » Air Grip
- » Air Can D-60 (7-10 minutes of use)

COPIC REFILLS

REFILL YOUR MARKERS FOR ADDITIONAL USE!

Each bottle holds 25cc's of ink. Sketch markers hold 2-3 cc's of 10-12 refills per bottle

ABS3 AIRBRUSH KIT

If you want to use an air compressor, one you already own or the one available

COPIC REPLACEMENT AIR CANS

Replacement cans for the Airbrush Kits.

ABS3 AIRBRUSH KIT

If you want to use an air compressor, one you already own or the one available on page 181, then you will need this kit.

- » Air Grip
- » Air Adaptor

COPIC REPLACEMENT NIBS

COPIC REFILL BOOSTER

A set of 3 needles that attach to the refill bottle. A great tool for refilling the Sketch Markers. Can be cleaned and reused.
