

NEW: BEGINNER FLY TYING KIT

Do you know someone that would like to get started tying their own flies?

Larva Lace now has a beginner kit to help them get started. The kit contains all the tools and enough materials to make a dozen flies. Also included are step by step instructions on how to tie some of the most common flies like the: Beadhead Chironomid, Blood Worm, Brassie and the Wolly Bugger.

Start your holiday shopping early!
